Model : PL 300

Rectangular swimming pool
Length/Width: 3 m x 2 m
Depth: 1 m
Pool weight: 240 kg
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 6 m^3
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

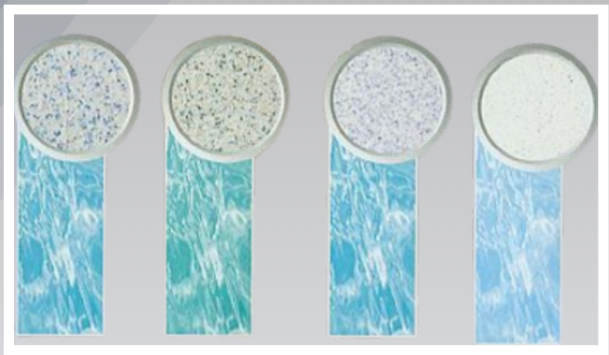

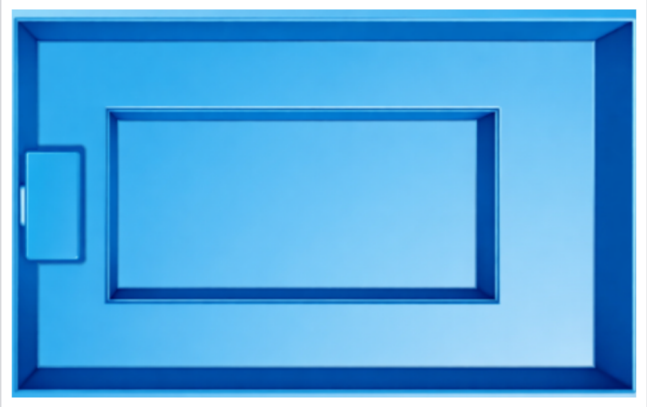

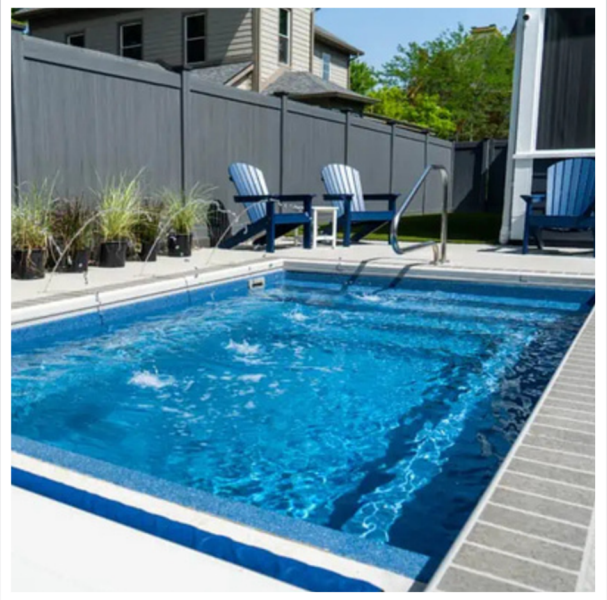

Model : PL 300 S

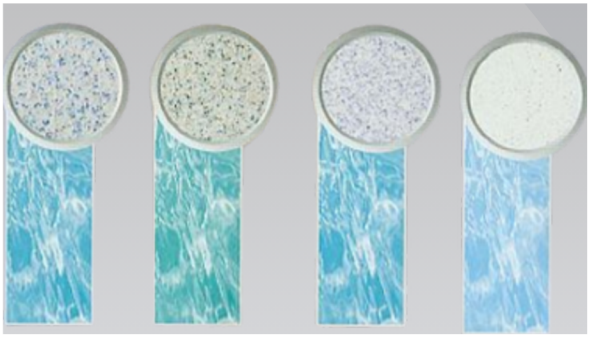

Rectangular swimming pool
Length/Width: 3 m x 2 m
Depth: 1.1 m
Pool weight: 227 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 6.6 m^3
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

Model : PL 320

Rectangular swimming pool
Length/Width: 3 m x 2 m
Depth: 1.2 m
Pool weight: 260 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 7.2 m^3
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

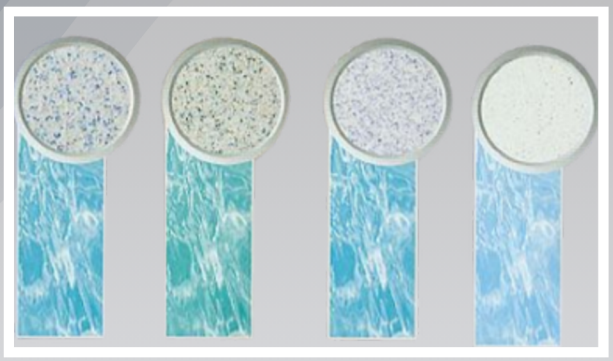

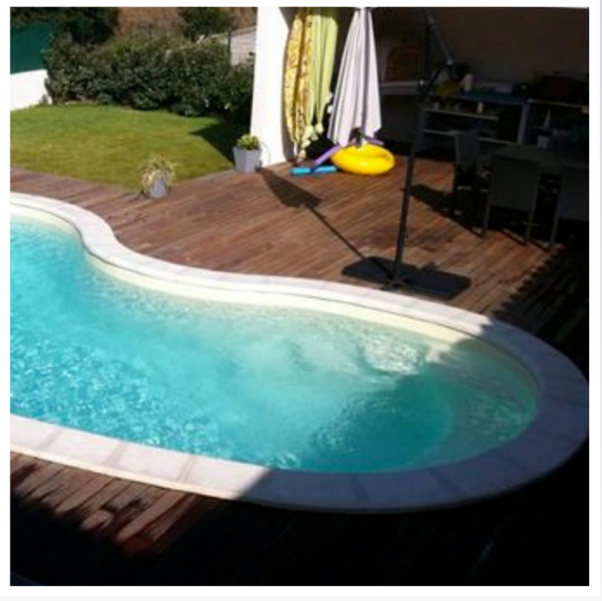

Model : PL 360

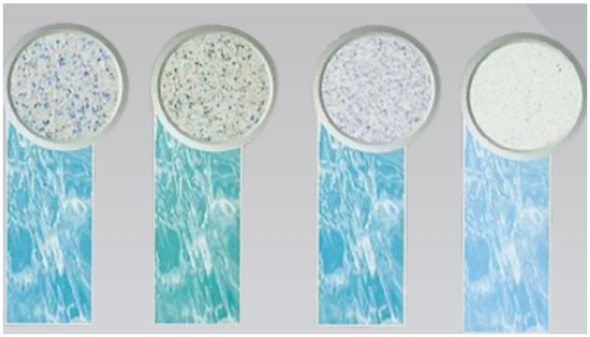

Bean-shaped swimming pool
Length/Width: 3.6 m x 2.15 m
Depth: 1 m
Pool weight: 260 kg
One bottom drainage point
LED lighting: 2 units
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 7.74 m^3
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

Model : PL 430

Rectangular swimming pool
Length/Width: 4.3 m x 2.25 m
Depth: 1.4 m
Pool weight: 401 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 13.55 m^3
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

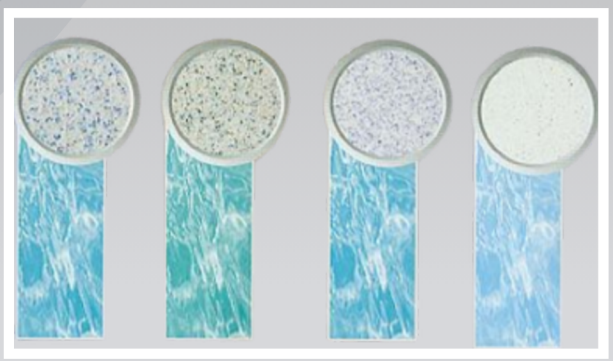

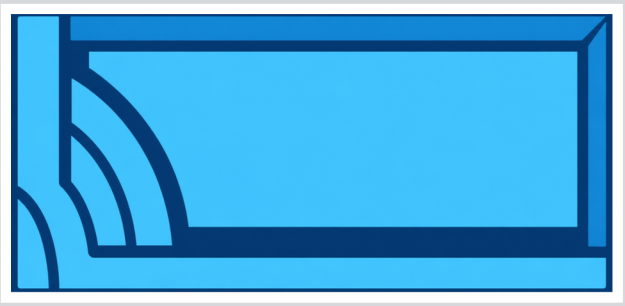

Model : PL 450

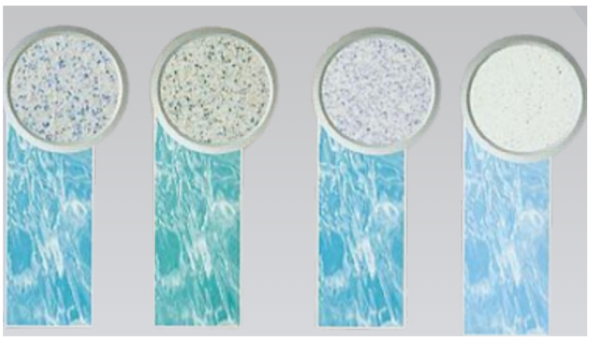

Rectangular swimming pool
Length/Width: 4.5 m x 2.2 m
Depth: 1.38 m
Pool weight: 415 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 13.66 m^3
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

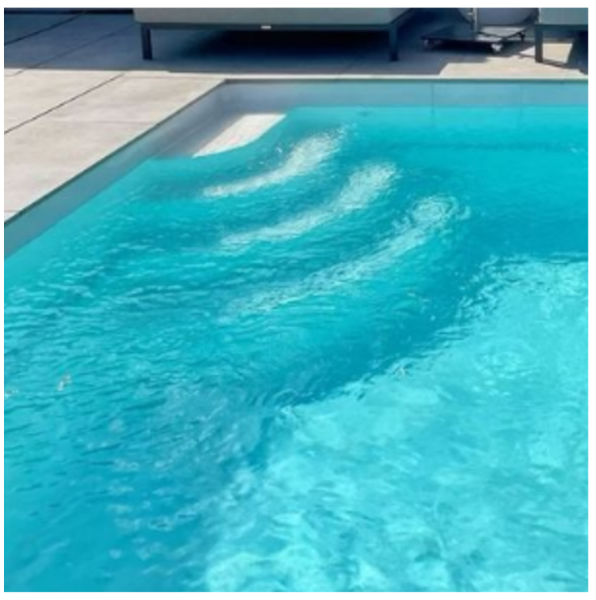

Model : PL 540

Rectangular swimming pool
Length/Width: 5.4 m x 2.2 m
Depth: 1.4 m
Pool weight: 480 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 16.6 m^3
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

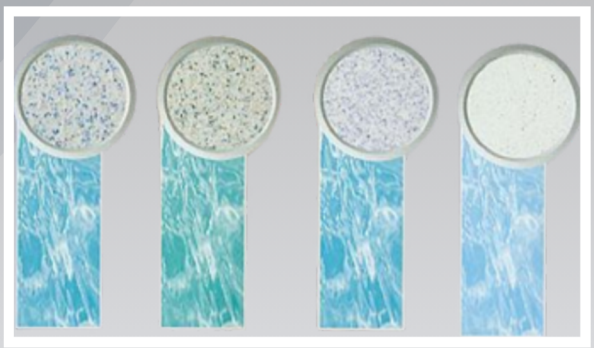

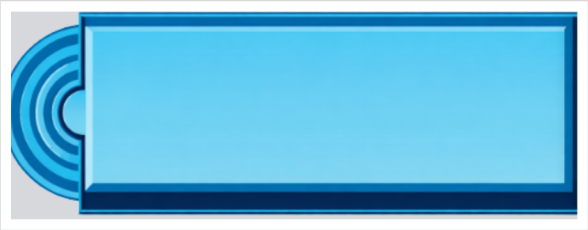

Model : PL 580

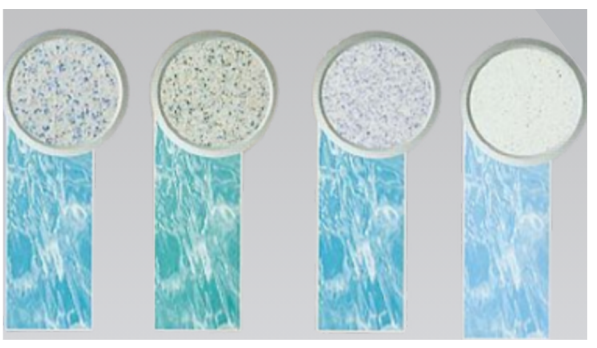

Rectangular swimming pool
Length/Width: 5.6 m x 2.2 m
Depth: 1–1.3 m
Pool weight: 470 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 14.8 m³
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

Model : PL 580A

Rectangular swimming pool
Length/Width: 5.65 m x 2.2 m
Depth: 1.2 m
Pool weight: 517 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 14.91 m^3
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

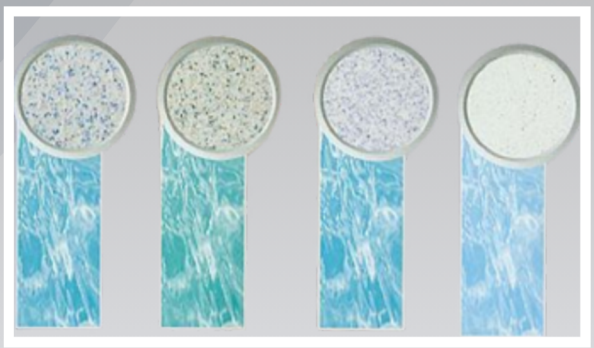

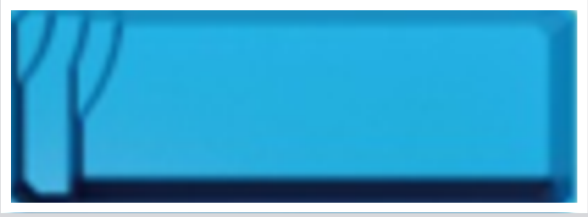

Model : P010

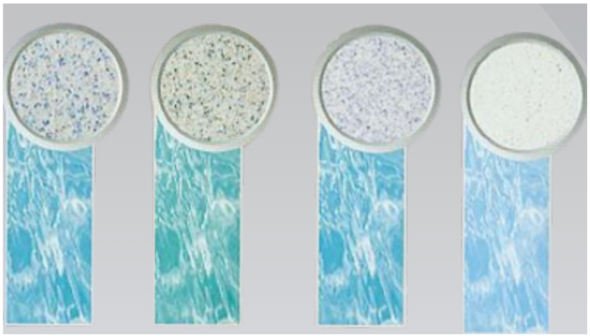

Rectangular swimming pool
Length/Width: 5.8 m x 2.2 m
Depth: 1.2 m
Pool weight: 463 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 15.3 m^3
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

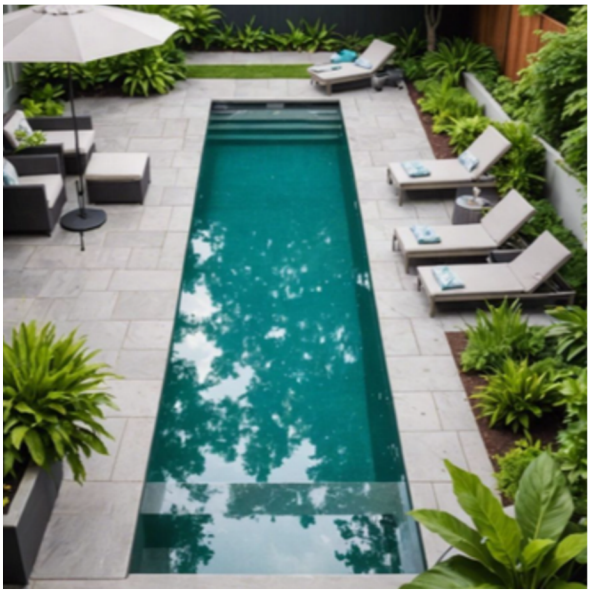

Model : PL 565

Rectangular swimming pool
Length/Width: 5.8 m x 2.2 m
Depth: 1.4 m
Pool weight: 640 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 17.9 m^3
Suitable for 6 people
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty

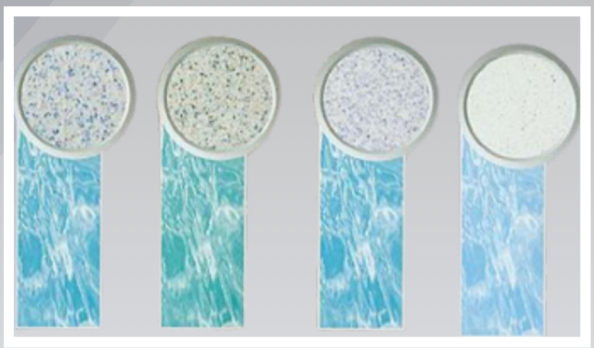

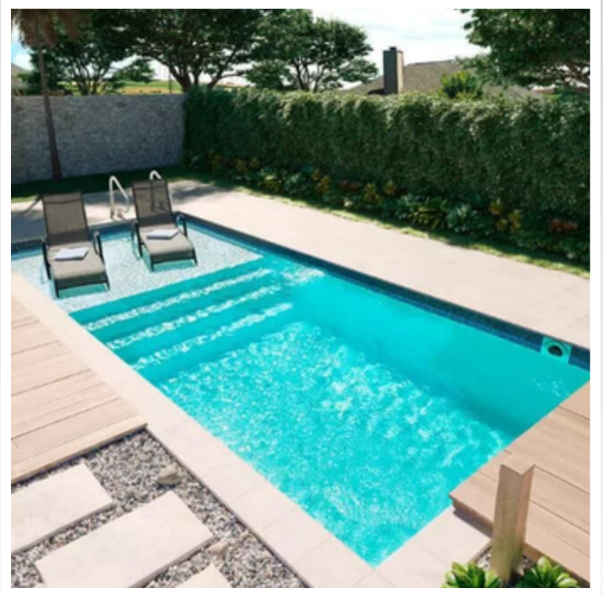

Model: P012

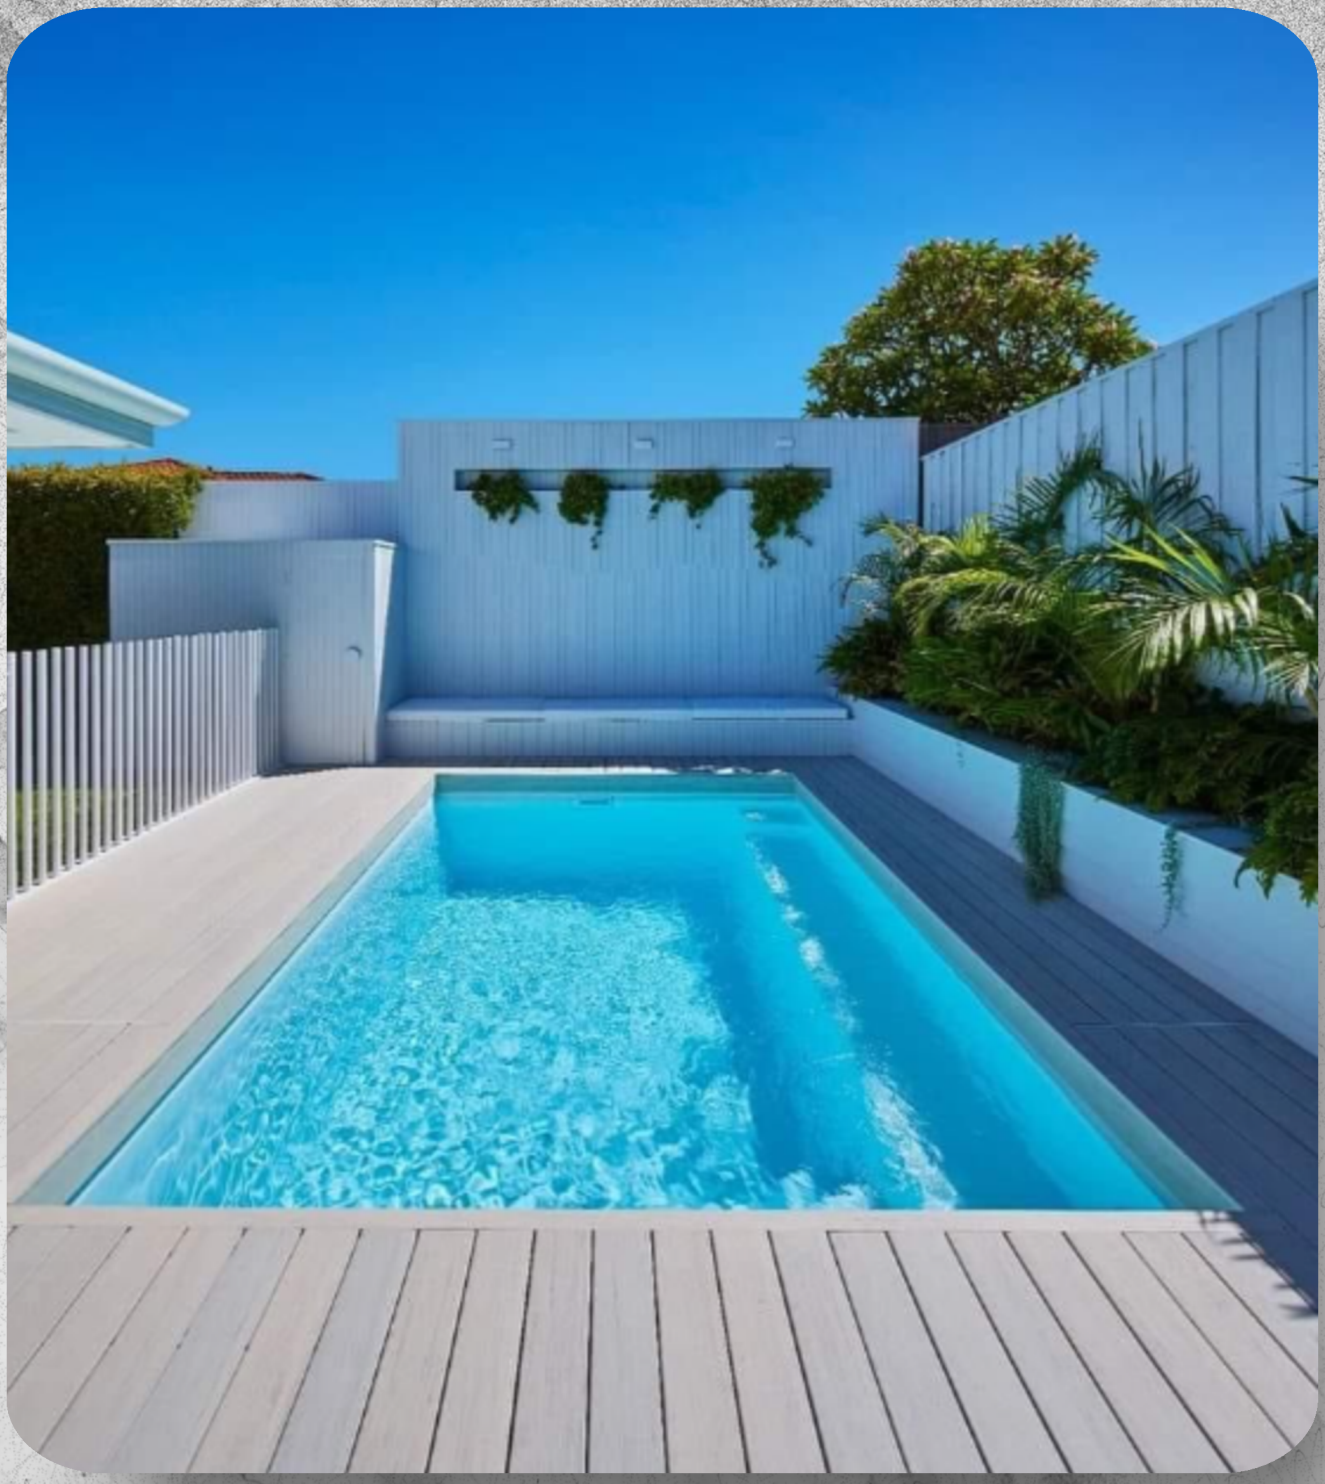

Rectangular swimming pool
Length/Width: 8 m x 2 m
Depth: 1.5 m
Pool weight: 850 kg
One bottom drainage point
LED lighting
Hydromassage system: 2 units
Wall thickness: approximately 0.9 cm
Water capacity: approximately 24 m^3
Includes a built-in seat
High resistance to chlorine and disinfectants
The filtration system comes with a 2-year warranty
